Coaster Sets

Kashand.com presents magnificent coaster sets for your dining table and bar decoration. These coasters are handcrafted in the same style as the pietra dura craftsmanship of the Taj Mahal. Semi-precious stones like *Agate, Amethyst, Blue & Green Aventurine, Cornelian, Jasper, Lapis-Lazuli, Melachite, Moss-Agate, Sodalite, Tiger's Eye, Serpentine, Chalcedony, White Jasper, Hematite, Onex-Marble* are inlaid on white marble stone. Being descendents of the very artisans who shaped and decorated the Taj, our artisans shape and drape our marble products in the *very same* style, using the *very same* decorative accessories, the semi-precious stones. Contact Kashand.com for more details on this technique of craftsmanship.
